*1st Annual*

CHEF'S TABLE GALA

On **Tuesday, February 6 2018**, HMSHost Foundation will host the 1st annual Chef's Table Gala. The proceeds from this exclusive event will benefit HMSHost Foundation in its mission to fight poverty with food, shelter, education and work development.

**Signature dinner with tableside celebrity chefs, and one night to remember in our nation's capital.**

The evening begins with a cocktail reception with paired hors d'oeuvres and specialty cocktails. Then some of our finest chefs will prepare a tableside meal and serve signature four- course meals exclusively for their guests.

The guests for this invitation only gala will be comprised of individuals from the aviation industry, airline executives, business leaders and HMSHost management, along with sponsors and their guests.

The HMSHost Foundation has donated to over 40 organizations in 20 states and the District of Columbia and look forward to growing that number.
